

22 Ships

Yenn Wong, the mastermind behind JIA boutique hotels and sophisticated Italian eatery 208 Duecento Otto, has buddied up with Chef Jason Atherton of the Michelin-starred Pollen Street Social to open 22 Ships, the buzzy new walk-in-only tapas bar in Wan Chai. There's an eclectic menu of modern Spanish tapas on display, from the creamy and dreamy Spanish Breakfast of poached egg swathed in creamy potato, chorizo bits and potato cubes to the delicate baked smoked bone marrow. The PBJ concoction of peanut ice cream, berries and salted peanut caramel is finger-licking good. 22 Ship St, Wan Chai, 2555 0722; 22ships.com.
